

An aerial photograph of a coastal town, Kenmore, Washington. The foreground shows a mix of residential houses and commercial buildings, interspersed with green trees. A large body of water, likely a bay or inlet, surrounds the town. In the far distance, a city skyline is visible across the water under a clear blue sky.

Multi-Modal Safety

Target Zero

“The City Council adopts ‘Target Zero’ as a goal by 2025 to have no pedestrian or bicycle deaths or serious injuries as a result of a collision with a motorized vehicle.”
